THE LAST NINJA

Brotherhood. Survival. Revenge.

The evil Shogun Kunitoki has slaughtered the entire Brotherhood of the White Ninja. You alone survive. And you — alone — must avenge the Brotherhood.

Prepare for action and adventure. Find your way to Kunitoki's distant fortress. Scale mountains. Cross raging rivers. From the vivid Wilderness to the grim Dungeons, six animated landscapes will take your breath away — if you live to see them.

Because at every turn, there's danger. Fire-belching dragons. Sea monsters. Samurai henchmen. Kunitoki's guards. And others. To wreak your vengeance, you must be a master of Ninja weapons. Ninja wisdom. And Ninja magic.

The way is long and dangerous. But revenge is sweet. PD-157T2

PETE ROSE PENNANT FEVER

"I Play Baseball One Way—All Out!" —Pete Rose

Drilling a bases-loaded single. Chasing down a drive at the wall. Bulldozing a catcher at the plate. Pete Rose knows what it takes to win.

That's why *Pete Rose Pennant Fever* is far more than just pitching and hitting. It's real spikes-flying, get-your-uniform-dirty baseball.

8 true-to-life perspectives on the action put you on the field, making the plays. Throw the 95-mph heater, adjust your swing at the plate, steal third, make the running catches and the tough throws to the plate—in *Pete Rose Pennant Fever*, you do it all.

In the dugout, you manage your line-up and pitching rotation, making the moves that can win ballgames. And in the front office, you can draft and buy players as you build your baseball dynasty.
