The Official Book of Ultima®

by Shay Addams

Step 'behind the scenes' into a world of little known facts about the game that launched a new generation of computer entertainment in this penetrating look at the award-winning Ultima saga. Author Shay Addams details the fascinating history, intense development and imaginative story-telling that make Ultima the favorite of fantasy and roleplaying fans throughout the world.

- Find out how a 15 year-old student turned a high school project into a commercially-produced game entitled *Akalabeth*, the obscure predecessor to the first ULTIMA.
- Discover the personal vision behind Richard Garriott's (a.k.a. "Lord British") 10-year commitment to bringing worlds of fantasy alive on the personal computer.
- Become privy to the critical decisions and personal philosophy that guided the design of each storyline in the ULTIMA series, and get the 'big picture' on how ideas are created and transformed into the complex language of the computer.
- Marvel at the international phenomenon that led to the appearance of Ultima comic books, Saturday morning cartoons, popular records and television commercials in Japan.
- Revel in the complete solutions to each of the first five ULTIMA episodes and receive "inside information" regarding the secrets and puzzles in Ultima VI: The False Prophet.
