

ADVANCED PRIZE REDEMPTION CATEGORIES

As you redeem each of these cards — progressing from Bronze, Silver and Gold to the highest level, Platinum — you become eligible for bigger and more exciting prizes! To advance to the next level, collect 100 points worth of medals in your current category, and turn in that card with your prize choice selected. You'll then receive a card in the mail with the next level of great prizes, with which you'll repeat this procedure until you reach Platinum level. Ultimately, you can win a genuine Leather Bomber Jacket with the Medalist International insignia!
