Tony La Russa BASEBALL II

The Most Complete Game Ever –
Action and Stats!

Tony La Russa, manager of the Oakland A's and 3-time American League Manager of the Year, has teamed up with SSI to create the most balanced, playable, and statistically accurate baseball game for PCs in existence!

Sequel to
"1992 SPORTS
GAME OF
THE YEAR"

Awarded by
Computer Gaming World
Magazine

① New-look 256-color VGA graphics are the hottest ever! Detail is *unmatched by the competition!*

① A streamlined interface allows for one-touch button actions. Players move smoothly, and a special cursor gives on-screen assistance for catching fly balls.

IBM VGA DISPLAYS

Increase your options with these incredible **EXPANSION DISKS**.

MLBPA PLAYERS DISK contains every player from the '92 season, each with complete stats and a digitized likeness.

Play with superstars like Roger Clemens, Nolan Ryan, Dennis Eckersley, Rickey Henderson, Frank Thomas, Ken Griffey, Jr., Tom Glavine, and Barry Bonds!
\$19.95 (March '93)

AL/NL STADIUMS DISK features every current NL and AL stadium, including outdoor stadiums, dome stadiums, and superstructures. The detail and accuracy is unmatched, with on-screen graphics four times larger than the competition. **\$29.95 (March '93)**

FANTASY DRAFT DISK is the most powerful, fully-featured draft utility ever – *every aspect of the draft process is covered in painstaking detail.* Conduct a realistic draft session involving one to four divisions. Draft players with or without salary competition. Build your own teams, and save the new rosters to disk. Best of all, Tony La Russa is your advisor! **\$19.95 (April '93)**

① Play-by-play announcer Ron Barr calls the action. Amazing sound effects and music re-create the ballpark atmosphere.

① View the largest instant replays ever seen on the stadium's jumbo video monitor.

① Incredible statistical accuracy accounts for every meaningful factor – display and print leaders in 2,500 stat categories!

① Over 1,000 legendary players are included with stats and a color portrait.

① Pitchers are rated for four specific pitches.

① Assume full or partial management duties and get expert advice from Tony La Russa.

① Eleven classic ballparks are included such as the Polo Grounds, Ebbets Field and Old Comiskey.

① Animations include leaps and dives in multiple directions, head-and-feet-first slides, and double-play pivots at second base. The realism is uncanny!

FLASHBACK™

Explore a New Frontier in Science Fiction Adventure!

From the creators of *Out of this World*™, FLASHBACK goes where no game has ever gone before! You play young scientist Conrad B. Hart, Earth's last hope from being overrun by the shape-shifting Morph species. Regain your stolen memory and exterminate the E.T.s before they turn our planet into a little mushroom-shaped cloud.

◆ Cartoon-quality rotoscoped graphics are displayed at a stunning 24 frames per second! The character animations are the most extensive ever in a computer game.

◆ Unlike the blocky polygons in *Out of this World*, FLASHBACK's rotoscoped graphics are clean and crisp – because they're digitized from a real actor!

◆ Over 75 cinematics tell the story. The intermissions pan and zoom with full animation.

◆ Exclusive zoom-in mode displays close encounters at over twice the normal size.

◆ Unravel dozens of puzzles, use over 20 objects, and interact with a dynamic cast of 15 characters.

◆ Exciting music score and digitized sound effects add a true sense of science fiction.

◆ Three worlds, six levels, 200 game screens, and 50-100 hours of game play make FLASHBACK a massive sci-fi epic!

◆ Passwords enable you to resume the adventure where you last perished.
