

# Personal Choice Software™

Personal productivity software  
for home, school and small business use.

For Commodore 128 and 64, Apple II series,  
IBM PC and PCjr., and Tandy 1000 computers.

**PERSONAL CHOICE**  
S O F T W A R E™

## Writer's Choice™

The easy-to-use word processing system and writing assistant.

Write, revise, edit almost effortlessly and print out perfect documents every time.

Ideal for letters, reports, school papers, proposals – any kind of writing for home, school or small business.

Contains 50,000 word spelling checker. Powerful. Affordable. And it will save you time.

## Filer's Choice™

The easy-to-use filing and record keeping system.

Ideal for organizing household records, inventories, calendars, mailing lists, rosters – almost anything for home, school and small business.

Add, modify and delete information at the touch of a key.

Set up your files in minutes. Use them for years.

## Planner's Choice™

The easy-to-use personal planning system and spreadsheet.

Simplify numerical tasks with the planning tool and spreadsheet that helps you organize, estimate and analyze numbers.

Ideal for home budgeting, tax planning, comparing investment options, organizing statistical report data and financial reviews.

Just enter your numbers and the results are calculated for you – automatically.

## The Personal Choice Collection™

The most complete, easy-to-use and affordable set of

personal productivity tools you can find.

Used together, these three products let you customize your documents. Combine text and numbers. Tables and text. Now there's an easier way to manage your future. And more time to enjoy it.

## I AM THE C128™

A tutorial for the Commodore 128.

I Am The C128 takes the mystery out of your computer. Now you can discover what makes your C128 tick. Each of nine volumes is presented in easy-to-follow, step by step terms. Learn everything from the keyboard layout to BASIC programming and animation.

For Commodore 128 only.
