

The Delta Princess

The Delta Princess
The Mississippi's finest luxury riverboat.

Dearest Mummy,

Shabby weather, hordes of
mosquitoes, rugged American
scenery. Spicy "creole" food
positively smashing, but it does
not agree with my delicate system.
Interesting problem of corpse on
board. Our elusive quarry has
a definite air about him... or is
it her? Will need some help
with this one.

Your devoted son,
Charles
