YOU ARE THE HERO IN A NEW KIND OF STORY

The story begins as you walk into Big A's bar to meet Professor Goodson who has just discovered a secret. The secret takes you to the Far East where you have a chance to find the world of an epic. Right, check your name of a dragon's name and bring the story to the arms of the woman of your choice.

Interactive Fiction puts you in a library setting — a magical story in which you are the hero. What you say and do determines your fate and the future of the world.

You can play in full sentences to make decisions and have conversations with the other characters in the story. Even when you've solved the story, you can go back and try other approaches.

An exciting interactive story for the ZX80 and LIGHT DRAGONS OF HONG KONG by Tom ERYNNARE comes on 5 1/4" and 8" disk and requires MSB&C disk and two disk drives.

YOU ARE THE HERO IN A NEW KIND OF STORY

The story begins as you walk into Big Al's bar to meet Professor Goodman who has just discovered a terrible secret. This secret takes you to the Far East where you have a chance to free the world of an age-old blight, clear your name of a despicable crime, and finish the story in the arms of the woman of your dreams.

Interactive Fiction puts you in a literary setting — a narrated story in which you are a character. What you say and do determines if you live or die, achieve fame and fortune, or disgrace.

You can type in full sentences to make decisions and have conversations with the other characters in the story. Even after you've solved the story once, you can go back and try other approaches.

An exciting interactive story for the Z/H89 and H8/H19. DRAGONS OF HONG KONG by Robert Lafore comes on 5" hard sector disk and requires HDOS, MBASIC, 48K and two disk drives.
