# HINT 1

Access to the places of protection starts by examining everything on the library walls . . .

If you still need more, unfold this flap . . .

# HINT 2

Access to the places  
of protection starts by  
understanding the  
function of the map  
in the library.

If you still need more,  
unfold this flap . . .

## HINT 3

Turn on the marker switches on Myst Island to activate locations on the map in the library.

Rotate the Tower to locations that turn the line red by clicking and holding the flashing icon on the map.

Go to the Tower to find the access keys.
