

SHOW OFF YOUR AMIGA WITH THESE HIT TITLES FROM ELECTRONIC ARTS

688 Attack Sub™

"688 Attack Sub represents a quantum leap in quality for naval-oriented wargaming. It is highly recommended." — *Computer Gaming World*

Take the helm of a US Los

Angeles class, or a Soviet ALFA attack sub and explore both sides of international conflict. Master all responsibilities or delegate control to your crew. 22 missions with variable starting positions make for virtually unlimited replay. On-line help makes learning easy and the stunning 3D graphics and digitized sounds, from sonar pings to whale songs, make this a truly realistic underwater experience. Play solo or challenge an opponent via modem. \$49.95 Available Fall 89'

Earl Weaver Baseball™

"Game of the Year" — Computer Gaming World
Exciting major-league action, digitized sound, full color TV-style special effects including instant replay, slow motion

and freeze frame. Plus, the strategies of baseball's winningest manager make Earl Weaver Baseball the most realistic, comprehensive sports simulation ever created for any personal computer. Includes 32 ballparks and complete general manager and league play features. \$49.95

Commissioner's Disk™ Expand Earl Weaver Baseball with the Commissioner's Disk - a sophisticated tool you can use to customize and manage your computerized teams or fantasy leagues. \$19.95

1988 MLBPA® Players Disk™ Keep Earl Weaver Baseball as current as the latest season, or collect classic stats of recent seasons. \$19.95

F/A-18 Interceptor™

Transform your Amiga into a million dollar Defense Department air combat simulator. This is the first flight simulator designed specifically for the

Amiga's graphics and sound capabilities, with a frame rate so fast that no other flight simulator belongs in the same airspace. So easy to handle that you can immediately begin flying the carrier-based F-18 or the land-based F-16 on any of the combat or training missions. \$49.95

Populous™

Be a deity for a day! It's your job to organize the huddled masses of your world. Tell them when to farm, when to fight, when to seek the power of your icon. Create good land

so they can settle and build a strong civilization. Fling an "act of god" at enemies or non-believers — volcanoes, floods, earthquakes — disasters can be awesome fun. Conquer any of 500 different worlds, from cruel ice to parched desert, all depicted with superb graphics and eerie atmospheric sounds. Dominate a world by yourself, or challenge a fellow deity via modem. \$49.95

Powerdrome™ Race the toughest pilots in the galaxy and experience the thrills of arcade action and the strategy of Formula One racing on the most sinister tracks and tunnels this side of An-

dromeda. Keep your airborne racer from crashing into floors, walls, and roof. Strain to hold a flight line against crushing g-forces and buffeting aerodynamic loads. Test your skills on five different planets, where you'll encounter unique gravities, atmospheres, and climates. Powerdrome is the ultimate airborne racing challenge! \$39.95. Available Summer 89'

Ferrari® Formula One™ Join the legendary Ferrari Racing Team to design and race the winning cars in Formula One Grand Prix. Choose engine and suspension, fine tune gear ratios and

fuel mixtures. Test your design in Ferrari's Fiorano wind tunnel before you begin competition on 16 Grand Prix courses, each accurate to the meter. Then rocket down straightaways, careen through turns, and drag to the flag at the finish line in the race car you design. The first race car game for simulation fans. \$49.95

Keef the Thief™ Thieves have more fun, and Keef is no exception. Whether it's picking locks with a crowbar or disarming traps with his personality, casting a healing spell to fix a boo-boo or fighting half crazed chickens, Keef the Thief is good-natured fun for all adventurers. The original art is a visual delight, and the humorous prose will tickle your toes. \$49.95 Available Fall 89'

Swords of Twilight™ Discover the mystery of the Rainbow Road. Select from 31 characters and then travel through this rich, life-like world simulation involving characters with memories, attitudes and appetites, and lands with time and tides. Up to 3 people play simultaneously, each controlling their own character with the unique action-joystick combat and conversation system! The first fantasy role playing game where you live the adventure instead of play it. \$49.95. Available Fall 89'

The Bard's Tale®

The best-selling fantasy adventure series pits your heroic band of adventurers against Mangar, the evil scourge of Skara Brae. Your

best ally: the Bard, a unique character whose magic is in his music. Create illusions with over 85 sorcery spells. Explore three dungeons, 16 maze levels and an entire city above and below the ground. Realistic animation and the shortest disk access time of any dungeon fantasy make for the hottest adventure possible. \$49.95

The Bard's Tale® II: The Destiny Knight™

The tradition continues with a new story line, and a whole lot more: more dungeons, more magic, more combat strate-

gies, more characters, more clues, more monsters, more territory, and a new kind of master magician: the Archmage. \$59.95

World Tour Golf™

Imagine playing golf on more than 20 of the world's greatest courses all on the same day. Start the day in Scotland on the challenging links of St.

Andrews and end your day on the shores of the Pacific Ocean, at beautiful Pebble Beach. And when you've mastered the world's best, no problem, simply design your own "soon-to-be" classics. Accurately modeled weather and course conditions insure a challenging game every time. Simply set your handicap, strength and accuracy levels, ability to play bad lies, and hook or slice tendencies. Then tee-up and take off. \$19.95

Zany Golf™

A wacky miniature golf fantasy, Zany Golf is nine different arcade games in one. Get your ball through a pinball machine to reach the final putt in the Pinball Hole, or get the

hamburger jumping so you can reach the hole beneath it. The Energy hole features laser beams, particle rays and transporter pads. Other holes contain moving walls, the classic windmill, magic carpets, a castle and water hazards. Rich graphics use every color and as much detail as possible. Plus, each hole has its own unique music. \$39.95

DeluxePaint® III Paint and animation in one incredible tool. The program that set the standards for computer painting — now with major enhancements and the easiest-to-use animation capabilities

ever developed. Paint on multiple frames exactly like you would a single picture, animate

brushes, or define complex animations in a single requester. Plus we've enhanced this old favorite with Extra-halfbrite support, direct overscan painting, wrap and tint brush modes, improved Airbrush, much improved font support, and faster perspective. \$149.95 *To Upgrade:* Send \$50 and the cover of your DeluxePaint II manual to Electronic Arts DPaint III Upgrade, PO Box 7530, San Mateo, CA 94403. CA residents, add 7% sales tax.

DeluxeVideo® III This upgrade to DeluxeVideo 1.2 is a perfect companion to DeluxePaint III, providing an easy solution for creating interactive demos, animated cartoon or video presentations. DeluxeVideo III supports all Amiga resolution modes, including HAM, hi-res, and interlace. Plus, it supports super bitmaps, high speed animation, MIDI output and IFF standard sound and music files. The new, visual interface lets you create and arrange videos or trace and edit object motion using only the mouse! \$149.95 *Available October 1989* For upgrade information call: 800-245-4525, M-F, 8:30-5, Pacific Time

DeluxePrint® II The only color Amiga print program — now supports Workbench 1.3. Preview function lets you see exactly how your creation will print, and even prints at better

than screen resolution for the best output possible. Special support for large fonts dramatically reduces jaggies for smooth banners. Create and edit images in DeluxePrint, or import any DPaint or IFF compatible files for exciting images. Additional art includes postcards from around the world. \$79.95

DeluxeProductions™

This simple-to-use video program allows you to create professional quality video presentations. Add life to your business or educational presentations, live broadcasts, or

video tape productions with over 40 special effects, double-buffered animation, complete control of speed, object path, and transitions, plus broadcast-quality fonts for titling. \$199.95

DeluxeMusic Construction Set®

From composition to transposition, from MIDI input to printed sheet music, DeluxeMusic Construction Set does all the work and leaves you all the fun. The first

complete music composition tool that's simple enough for a beginner and powerful enough for a professional musician. Compatible with DeluxeVideo III and Instant Music. \$99.95

DeluxePhotoLab™

This powerful program puts you at the forefront of current paint and print technology. Work with several pictures simultaneously. Load 1, 2, or 12 pictures, then cut & paste

images between them, even if they're in different graphic modes — it even supports HAM and Extra Halfbrite. Plus, DeluxePhotoLab can handle images up to 20 times larger than a normal screen — the image size is restricted only by the amount of RAM in your Amiga. Then, turn your image into a giant, photo-quality poster. DeluxePhotoLab is everything from a paint shop to a print shop, in one great program! \$99.95
