## PGA TOUR® GOLF 486

from Electronic Arts

EA SPORTS™ and the PGA TOUR present the most realistic looking golf game for the PC. Key features include realistic 3-D courses, complete with hills and valleys. Players can also play against 10 featured PGA pros whose actual digitized swings are in the game. The pros even give their commentary on the TPC courses and individual holes.

**\$59.95 Available for IBM CD-ROM**

## NHL® Hockey '95

from Electronic Arts

From the designers of the #1 hockey simulation on the PC. This new CD version gets you red-book quality sound effects and authentic NHL game footage from the '94 NHL season. Players now feature more animations than ever before, everything from fake shots to incredible goalie butterfly saves. Full season mode supporting the most up-to-date player stats available on the PC makes NHL Hockey '95 a must-have!

## NO WORLD ORDER

from Electronic Arts

Introducing an entirely new concept in music from Todd Rundgren. For the first time, you, the listener can affect how the music on a CD plays. Alter the tempo, change the mood, remove the vocals. *No World Order* takes your input, then remixes nearly 1000 musical events to match your style. Includes 10 original TR-i themes and 4 versions by legendary producers Don Was, Jerry Harrison, Hal Willner and Bob Clearmountain.

\$29.95 Available for IBM and Macintosh CD-ROM

## ARMORED FIST™

from NovaLogic

NovaLogic's breakthrough graphics technology sets the stage for the most realistic high-tech tank battle simulation ever! Turn your turret full circle to scan authentic battlefields, or poke your head out of the hatch for an exhilarating full-screen view of your surroundings. Command up to four platoons of assault machines designed for 21st century warfare. Many intense campaigns included, or design your own battle theatre.

\$59.95 Available for IBM CD-ROM

## WARREN MILLER'S SKI WORLD

from Multicom

The guide to everything skiing, with equipment, techniques and hot skiing video. A comprehensive resort database is filled with useful information from slope maps to amenities. Interactive video instruction lets you learn at your own pace. Check out hot-dogging, racing, extreme skiing and dramatic crashes. It's a total interactive multimedia skiing experience.

\$44.95 Available for IBM and Macintosh CD-ROM

## THE COMPLETE ULTIMA® VII CD>HARD DRIVE

from ORIGIN

The entire *Ultima VII* saga on a single compact disk. You'll get *Ultima VII: The Black Gate*™, *Forge of Virtue*™, *Ultima VII Part 2: Serpent Isle*™, and *The Silver Seed*™. Vanquish the evil that confronts you in these daring quests, and you'll return through time with the power to heal the devastated land.

\$49.95 Available for IBM CD-ROM

## WING COMMANDER® I & II DELUXE CD

from ORIGIN

Together at last, on one CD! More than 150 missions, all to deliver humanity from the jaws of Kilrah. You'd better be as good as your reputation, because the action intensifies, the opposition stiffens, and the stakes climb with each victory. Both *Wing I* and *II* have won numerous Game of the Year awards. *Wing I* plays off your hard drive; *Wing II* plays directly from the CD.

\$39.95 Available for IBM CD-ROM

## STRIKE COMMANDER®/PRIVATEER™ CD-ROM

from ORIGIN

Soar into near-future dogfighting that will leave you breathless, then journey to the seamy side of the *Wing Commander*® universe, populated by a volatile mix of pirates, miners and mercenaries. Each has full digitized speech and sound effects, General MIDI music, more than 60 missions, and requiring a fraction of the hard drive space.

Together on one CD

\$54.95 Available for  
IBM CD-ROM

## TOTAL DISTORTION™

from Pop Rocket

Risk your life on a one-way trip to the hard-rockin' "Distortion Dimension" as a music video producer in search of fresh material. Deal with motley rock star inhabitants, battle guitar warriors, mix your own music videos, and cut million dollar deals on-line with Earthling TV producers. Features 3-D movie-like world stuffed with incredible graphics and animation, books, arcade games, TV & radio shows, and an original soundtrack with over 40 tunes.

\$69.95 Available October '94 for IBM and Macintosh CD-ROM

## WOLF: Hunt Or Be Hunted!

from Sanctuary Woods

The mysterious world of the wolf comes alive through more than 40 different scenarios where you gain the experience necessary to climb the wolf pack social order. Weather conditions, fierce predators and limited food supply make for an intense challenge. In addition, *Wolf* is an interactive museum and nature preserve where players can learn about the wolf and its environment.

\$49.95 Available Oct '94 For IBM CD-ROM and DOS Floppy

## CYCLOCNES™

from Strategic Simulations, Inc.

Earth has been ravaged by an alien race. Abductions and UFO sightings are confirmed! Human tissue samples have been taken by this race of superior beings in order to create the ultimate cybernetic warrior—the CyClone. As the player, you are part of a military program which has developed a high-tech armory and the weaponry necessary to defeat the CyClone army. Your mission: Stop the CyClocnes—salvage Earth and the human race.

\$54.95 Available for IBM CD-ROM

## AD&D® Dark Sun™:

Wake of the Ravager

from Strategic Simulations, Inc.

The adventure begins with the party arriving in Tyr, a city still recovering from the upheaval of the dragon's death. The templars are in control, but they have no power to enforce their edicts with the dragon dead, and everyone knows it. This power vacuum has attracted all sorts of undesirables to the city and Tyr has become quite a dangerous place as it walks the thin line between elation at its freedom from the dragon and fear at the specter of anarchy threatening to envelope it.

\$64.95 Available for IBM CD-ROM

## AROUND THE WORLD IN 80 DAYS

from EA\*Kids

In this newest EA\*KIDS Creative Reader, children assist Phineas Fogg and his sidekick monkey, Sidney, in their race around the world. With the help of the Paintbox Pals™, children use reading comprehension, decision-making, and storytelling skills to explore a dozen countries, visit famous landmarks, and interact with people from around the world.

\$39.95 Available for IBM and Macintosh CD-ROM

## COUNTING ON FRANK: An imaginative world where Math is fun for everyone.

from EA\*Kids

Part wacky word problems, part ingenious math drills, and most of all downright fun, a day with Henry and his pal Frank offers kids math in a world made just for them. Ever wonder how many peas would fill your kitchen or how many gallons of water would fill your bathroom....well, wonder right along with Henry & Frank and both your math skills and your imagination will multiply.

\$39.95 Available for IBM and Macintosh CD-ROM

## **SESAME STREET®: NUMBERS**

**from EA\*Kids**

Join your child on a trip down Sesame Street with their favorite characters including Big Bird, Elmo and the Count. Four different interactive games focus on key aspects of math readiness, number recognition, set classification, counting, and the spatial relationships of "near" and "far". All this combined with over an hour of interactive video and audio from the Sesame Street Series provides hours of fun and learning. Designed by the Educational Specialists at Children's Television Workshop.

**\$39.95 Available for IBM and Macintosh CD-ROM**

## **FREDDI FISH AND THE CASE OF THE MISSING KELP SEEDS**

**from Humongous Entertainment**

Grandma Grouper's prize-winning kelp seeds are missing, and Freddi Fish and her finny friends are on the case! This interactive adventure, designed for children ages 3 to 8, with high-quality animation, brilliant sound, and engaging characters will thrill both your child and you! Children will improve their problem solving skills while they learn interesting facts about the sea.

**\$49.95 Available for IBM CD-ROM**

## **Romp Through History Series #1 RECESS IN GREECE**

**from Morgan Interactive**

The classics come to life as you travel through ancient Greece with Morgan. Games, puzzles and activities are integrated into the story to illustrate how the mythology, vocabulary, architecture, math and science of ancient Greece are still a part of our contemporary world. Beautifully sequenced film-quality animations add to this humorous and engaging romp through history.

**\$34.95 Available for IBM and Macintosh CD-ROM**
