

WAKE UP YOUR PC WITH THESE HIT TITLES FROM ELECTRONIC ARTS

LHX Attack Chopper™ — Be the first to fly the experimental, highly classified, radar evading light helicopter: the LHX. Fly desperate missions never before possible at night or in difficult

weather. Maneuver your chopper close to your target undetected, launch your missiles, and bring it on home in one piece. \$59.95

PGA TOUR® Golf™ — The only computer golf game officially endorsed by the PGA TOUR, it lets you play on real courses with real pros. Enter exciting tournament play with million dollar purses against top golfers or play a casual round with a friend. Polish your swing at the driving range or perfect your putt with the 3D contoured greens grid. Pro commentary, specialty shot options, and TV-style fly-by views are just a few of the great golfing touches you'll enjoy in PGA TOUR Golf. \$49.95

Centurion: Defender of Rome™ — From the designer of Defender of the Crown™, spectacular graphics and a unique combination of role-playing and strategy make Centurion an unprecedented cinematic

adventure. Intuitive interface lets you directly control the movement of troops in battle on land or sea as you set out to rule the historically accurate Europe of the Roman Empire. Or compete in the legendary chariot races, and fight for your life in the gladiator events. \$49.95

Ski Or Die™ — Shred snow in this multi-event winter thrasherland! Carve up a speed-fed snowboard halfpipe, punch the ozone in the acro aerial ski jump, smash your opponent in the innertube thrash,

blast snowballs at unsuspecting targets, and torch your hair in the full-out downhill blitz. Rodney and Lester — everybody's favorite abusive tag team — are back again. Subzero madness! \$39.95

Low Blow™ — The sweet science of boxing gets even sweeter! Anyone can jab and punch, but few can donkey kick like a pro. Battle your way to the top against 7 heavyweights, each

with trick moves like the Jackhammer, Kidney Soup, and the Two-Ton Head Butt. Train at the gym, fine tune your dirty moves, stay updated with sports network coverage — and cheat your way to the top! \$39.95

Escape from Hell™ — Tired of climbing down to dungeons a mere 20 or 30 feet underground? Then plunge into the depths of Hell itself! Bored with the same old monsters that peasants

dreamed up to scare kiddies back in the dark ages? Confront the evils of the modern age, from heavy metal rockers to sleazoid politicians and intriguing people from history: Genghis Khan, Dante, Hitler, Stalin, Mozart, Caesar and more! \$49.95

Indianapolis 500®: The Simulation™ — Go up against your racing heroes on an exact replica of the Indianapolis Motor Speedway rendered in 3D polygon graphics for stunning realism. "The Pole" and 33 cars fully capture the experience of the famous 2 1/2 mile oval. Choose a team car that suits your skill level or design your own. Relive your thrilling vicories and agonizing defeats with TV quality Instant Replay. Supports Roland MT-32 and LAPC, and AdLib sound boards. \$49.95

Plunge through dimly lit tunnels, twist past winding curves and dive down deep crevasses in fast and smooth 3D animation. Jet Racers can be modified for 65 challenging courses on 5 different planets, each with unique gravity and atmosphere. \$49.95

Hound of Shadow™ — Inspired by H.P. Lovecraft, Hound of Shadow is set in England in the 1920s, when it was fashionable to cultivate an interest in spiritualism and magic. Become involved with murder, revenge, the occult, daemonic possessions, and numerous other horrors. Discover what awful things lurk behind a seemingly humdrum existence, and learn through bitter experience that ignorance really can be bliss. Features the Timeline computer role-playing system. \$39.95

Lakers vs. Celtics and the NBA® Playoffs™ — Get ready for the hottest basketball action around in the first full-court, 5-on-5 computer basketball game where

you control real players and play against the best teams in the NBA. Drive the lane for a layup, substitute for tired teammates, or trap the ball on defense. Lakers vs. Celtics uses real players and their stats from the 1988-89 season and features recognizable players with different heights, hairstyles, colors, numbers and moves so you'll always recognize your favorites. \$49.95

John Madden Football™ — Play football like a pro in the most sophisticated and realistic football game ever developed. Control the key player in the Action Game for realistic running and passing. Hit the *Umph* button for a burst of energy and call plays from your own custom playbooks. Set your lineup based on player ratings (up to 11 areas per player), and control the action during the game.
