## THE PROMISED LANDS

Bullfrog Productions, the original designers of the extraordinary game Populous, bring you extra challenges and added dimensions with **Populous: The Promised Lands** data disk. Test your skills and different strategies on five, original, new landscapes that are simply out of this world:

- \* Cowboys and Indians fight it out in the **Wild West** as teepees, forts and jails dot the landscape.
- \* Experience a topsy-turvy world with characters that change expressions with the action in the **Silly Land**.
- \* Typical Frenchmen gather in castles and cafes or next to Guilotines in **Revolution Francais**.
- \* Try the **Blockland** and learn how the original concept of Populous was initially created.
- \* Build your ZX81 into a Cray! The programmers wildest dreams come true in **The Bit Plains**.

**All new worlds that require all new strategies!**  
**Only \$14.95**

You haven't seen it all until you've seen  
**THE PROMISED LANDS!**
