The Abyss. As in abysmal, a good description of your chances of getting the Freeze Spell scroll down those stairs in the centre. The assorted vermin on top sure hope you'll try.

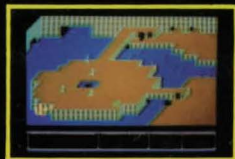

Cornered in the Crown Room in the Stygian Crypts. Now if you only had a Freeze Spell, or maybe a Protect Spell, or even a Confuse Spell . . . anything to get out of here alive.

C64 version

About midway through Tartarus. The scroll on the left can keep you alive longer. The snakes on the right don't think that's such a hot idea. They'd rather see you dead.

Spiders seem to like Abaddon. Question is, how do you feel about spiders? Ugly, mean spiders who can't wait to dance around your crumpled little body. Nice guys, spiders.

REALM OF IMPOSSIBILITY™

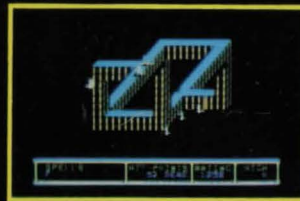

by Mike Edwards

At First Things Were Just Creepy. Then They Got Totally Weird.

Running from zombies, snakes, giant spiders and packs of ugly, vicious little round things is tough enough when the dungeons are just mean. But some of these dungeons go way past mean, into the realm of the totally outrageous.

A friend can help, and chances are you'll need all the help you can get to make it all the way to the deepest part of the dankest dungeon.
