

HESWARE™ SOFTWARE 180-DAY LIMITED WARRANTY

HesWare warrants to the original purchaser of this HesWare software that it will be free from defects in materials and workmanship for 180 days from the date of purchase. If this software is discovered to be defective within the warranty period, return it to HesWare for replacement.

This warranty is limited to electronic and mechanical parts within the software. It is not applicable and shall be void if the defect has arisen through, or the software shows signs of, misuse, excessive wear, modifications or tampering.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESSED WARRANTIES OR REPRESENTATIONS. ANY APPLICABLE IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS, ARE LIMITED TO A PERIOD OF NINETY DAYS FROM THE DATE OF PURCHASE. HESWARE IS NOT LIABLE FOR ANY SPECIAL INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM BREACH OF ANY EXPRESSED OR IMPLIED WARRANTIES ON THIS PRODUCT.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions set forth may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

REPAIRS AFTER EXPIRATION OF WARRANTY:

If the software malfunctions after the 180-day warranty period, you may ship the software prepaid and enclosed with a check or money order to HES. If you are replacing a diskette or cassette enclose \$2.00, and \$6.00 if replacing a cartridge. HES will, at its option, subject to the conditions above, repair the software or replace it with a new or repaired unit, subject to availability of parts. If replacement units or required parts are not available, the \$6.00 payment will be refunded.

How your software program could become part of the HESWARE family.

If you've created a high quality software program for the Commodore or any other home computer, we're interested in evaluating it for inclusion as part of the HESWARE family of software products.

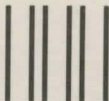

Human Engineered Software (HES) is a leader in developing and marketing third-party software for home and small business.

We're actively seeking software in the following categories for evaluation:

- **Business/Productivity**
- **Education**
- **Entertainment**
- **System/Utilities**
- **Peripherals**

If you have a high quality software package which you think can meet our standard of excellence, please call or write. We'll send you our software acquisition guide.

Maybe one of your programs will qualify to become part of the HES family.
