

Boffoid Savings on Planetfall®!
ONLY \$14.95!

Planetfall, Steve Meretzky's first Infocom title, has long been a favorite of interactive fiction fans. And Floyd, your mischievous robot companion in the story, easily takes the prize for best-loved Infocom character.

Planetfall is also popular with reviewers and critics. It won Meretzky a Best Computer Software Designer award, and additional kudos include Best Adventure Game of 1983 from InfoWorld. One reviewer mirrored the enthusiasm of many when he said, "*Planetfall* is just about worth the purchase of a computer."

As the story begins, you're a lowly deck-swabber in the Stellar Patrol, 120 centuries into the future. Then your ship explodes and you're jettisoned onto a mysterious, deserted planet. Luckily, you have Floyd, a lovable multi-purpose robot with the personality of a mischievous 8-year-

old. He's the ideal companion with whom to brave your new world, as you dare its dangers and uncover its secrets.

To prepare you for active duty, the *Planetfall* package includes a Stellar Patrol recruitment brochure, your Special Assignment Task Force I.D. card, your personal diary, and three colorful picture postcards from some of the Universe's swankiest tourist traps. This is the original "hardcover" version of the story, which does not contain on-screen hints; hint books and maps are available at your local dealer or direct from Infocom.

Now you can order *Planetfall* for just \$14.95. Simply fill out the coupon on the reverse side and send it to Infocom. After March 31, 1990, call 1-800-262-6868 for availability information.
