

Fantastic Savings on Zork®II and Zork III!

EACH ONLY \$14.95!

Once you've had a taste of the exotic creatures, extraordinary sights, and ingenious puzzles in the Great Underground Empire, you'll want to continue your adventures with *Zork II* and *Zork III*.

In *Zork II*, you'll journey to a long-hidden region of the empire, dominated by the frivolous Wizard of Frobozz. Exiled years before, the befuddled Wizard is still a force to be reckoned with, materializing at odd moments to cast bothersome spells. There are many curiosities to explore in his realm, including the garden of an elusive unicorn and a maze of Oddly-Angled Rooms.

For the ultimate test of your wisdom and courage, the Dungeon Master draws you deep into his inner sanctum in *Zork III*. Nothing is as it seems—and the Dungeon Master

embodies the greatest mystery of all. To finish the story, you'll need to discover why you are in the perilous ruins of the empire and what you are supposed to be doing there.

Now you can get *Zork II* and *Zork III* for just \$14.95 each. These are the original "hardcover" versions of the stories, complete with such exotic game pieces as an annual report from the FrobozzCo magic conglomerate and a tourist's guide to the Great

Underground Empire. These titles do not contain on-screen hints; hint books and maps are available at your local dealer or direct from Infocom.

To order *Zork II* and *Zork III*, simply fill out the coupon on the reverse side. After March 31, 1990, call 1-800-262-6868 for availability information.
