ACE IN THE H.O.L.E. FOR THE 48K SPECTRUM

3

The H.O.L.E. is the codename for the Humane Orbital Legislation Enforcer. It is little more than a place of termination.

The prison ship is now docking with the H.O.L.E. The medics are rolling up your sleeve and preparing a hypodermic.

Ace Brannigan you are about to face the hazards of the H.O.L.E.

Can you survive long enough to reach the shuttle-craft and freedom?

OR

Will you trigger one of the deadly devices that are set to bring about your demise?
