# CLASSIX 1

## COLLECTORS • EDITION

Five award winning games from The Edge  
For the price of one!

**BOBBY BEARING** — You play the part of Bobby the bearing in this superb arcade style 3D game. "The Edge have produced an all time great ... Bobby Bearing is very nearly perfect" (ZX Computing). **CRASH SMASH**, C & VG Game of the Month, Your Sinclair Megagame, **ZZAP Sizzler**, Amtix Accolade, and Amstrad Action AA Rave.

**BRIAN BLOODAXE** — As Brian the Viking you set out to conquer Britain in this zany arcade style game which was the first to feature 'Primary Imbalance'! Brian became an overnight 'cult' figure when this game was first launched.

**QUO VADIS** — This is an epic arcade-adventure featuring more than a 1,000 screens of playing area! "One of the best games I've seen for the C64" (Your 64), Personal Computer Games "Game of the Month", 5-Star 95% rating (HC Weekly).

**WIZARDRY** — As a trainee Wizard in this arcade-adventure style game you seek the Prime Elemental within a wonderous 3D castle. "Wizardry deserves to push The Edge to a status amongst software houses which is currently dominated by US Groups ... truly superb!" (Commodore Computing).

**FIREQUEST** — Ugh is off in search of fire in this primeval arcade-style game. "The thinking man's arcade game" (Your 64), "With games like this The Edge are establishing themselves as a force to reckon with." (PCG)
