## Castle Colditz

**You are a prisoner of the Third Reich . . . Can you escape it's Iron Grip?**

You stand alone in the heart of the most terrible P.O.W. prison of all. There is only one thought in your mind — to escape. But you have no idea of which way to go.

There are always several options open to you, each could mean a step nearer freedom or a confrontation with death . . .

The brutal Gestapo and SS Guards know that you are loose. They've set the dogs onto you.

To escape from **Castle Colditz** you must survive such horrors as the corridor of Rats, the tunnel of Poisonous Spiders and the Vault of Human Bones.

## INSTRUCTIONS

### Castle Colditz

To load '**Castle Colditz**' press '**Load J**' key. Then holding down the '**Symbol Shift**' key press '**P**' twice followed by '**Enter**' once. You may now press '**Play**' on your **Tape Drive** and **Castle Colditz** will load.

**Castle Colditz** is an adventure game, a game of cat and mouse. The computer is the cat and you are the mouse. As you progress through the castle it is advisable to draw a map. In some rooms you will be offered the chance to collect an item of equipment or some Nazi loot. But you can only carry six items at once. So do not be overcome by greed . . .

Full instructions on **Castle Colditz** are available on the screen before the game commences.

## Battle Of The Toothpaste Tubes

Can you destroy the evil Brush Brigade? Or will you succumb to the dreaded Mini Tubes and Chattering Teeth?

To destroy the evil Brush Brigade, you must fire from your toothpaste tube. But take care, if you miss and hit the handles, the toothpaste rebounds on to you. The Mini Tubes also fire at you, but you can protect yourself with a Fluoride Shield or fire back at them.

Beware at all times of the Chattering Teeth, they can penetrate your shield, and one bite is lethal.
