DANGER MOUSE

IN BLACK FOREST CHATEAU

Full colour graphic and text adventure.

Colonel K., who heads a government department so secret even he doesn't know it's name, is in contact with the world's greatest secret agent, Danger Mouse, and his faithful assistant Penfold.

The Colonel is explaining how a mysterious Pi-beam is zapping world leaders. "They are being sent bananas, and causing a sticky problem for the government".

"So you see, D.M., unless something is done soon the world will be in a terrible jam".

"Luckily we have traced the sauce . . . I mean source of this beam to a spot in the Black Forest. So that is where we want you to go".

"It should be a piece of cake Colonel", you reply, and you are off on yet another dangerous mission, to: "THE BLACK FOREST CHATEAU".
