H.R. GIGER SCREENSAVER

Travel to the deepest depths of the darkest minds with over ten modules of Giger art – including "Sil" from *Species* – and an audio taped short-story from sci-fi writer Harlan Ellison.

DARK SEED II

Mike Dawson's nightmarish journey continues as he tries to stop the Ancients from destroying mankind. Seventy-five richly textured landscapes, artwork by H.R. Giger and intricate puzzles bring this pulse-pounding adventure terrifyingly close to reality.

I HAVE NO MOUTH, AND I MUST SCREAM

Dive into the minds of five damned souls who are trapped in the depths of an insane computer. Based on the famous short story by Harlan Ellison, this riveting role-playing game features sensational 3-D animation and digitized speech to create edge-of-your-seat excitement. Bonus 3-D graphic mouse pad included.

LOOK FOR THE *SPECIES* GAME EARLY 1997!
