ADVENTURE

The object of DARK STORM is to find your father who was a hero of the Great Rebellion which freed the Realm of Sertainia from the evil rule of the Dark Lord.

Your father has been kidnapped by the evil servants of this tyrant who is planning the domination of the Realm once again.

Your mother has died of the plague and as you have no brothers or sisters it falls upon you to go forth in this quest and find your father.

The adventure caters for all the usual multiple commands including RAMSAVE and RAMLOAD and PAUSE.
