Comm.

### NEW FEATURE

- **Key Punch**  
Budget Software  
Apple, Comm., IBM

Games 'n' Gadgets

**Do a knee dragging, gut wrenching race at 180. Without getting bugs in your teeth.**

**EPYX**<sup>®</sup>  
COMPUTER SOFTWARE

- 750cc's that'll slice through the wind.
- Race against other motorcycles through countryside that changes from course to course.
- Watch realistic instruments-tachometer, speedometer.
- Lean into turns, scream out into the lead.
- One player.

C64/128
