The Dungeons dare you to find out...

Experience the thrills and chills of a terrifying tour through the dark catacombs - but be warned, nothing is quite what it seems and the exhibits have a nasty habit of coming back to life!

At London you can follow in the bloody footsteps of Jack the Ripper, enjoying a grisly date with Madame Guillotine and experience the ultimate trip; being sentenced to death on a terrifying, one-way boatride to meet your maker.

But that's just the beginning: The Iron Maiden will break your heart, the Beast of Whitechapel will have you in stitches and we're sure you'll be dying to meet Katarina the vampire girl!

Or you could use the voucher to take a trip to the gruesomely entertaining York Dungeon, but beware, you may catch THE PLAGUE, our amazing NEW for 98 feature! Take a spine-tingling tour round the plague-ravaged streets of 14th century York in the company of our grislyguides.

The Black Death wiped out a third of the population in Europe. Follow its awesome trail of destruction from harbour to home... and beware the sinister black rats!
