LOADING INSTRUCTIONS

First load the BASIC tape and, when the READY signal appears, insert the programme cassette and type LOAD followed by carriage return. Now press PLAY on the recorder and wait until the READY signal appears again. Now type RUN followed by carriage return.

SIDE A – Corridors of Kai

Dash along the interlinking passages in an attempt to reach the exit. All the time, the doors keep moving and the reaper swoops through the narrow corridors destroying all in its path. Don't get mown down.

SIDE A – Bank Raid

As the lone guard in the bank vaults, you must catch the eight robbers who have broken in. As you are unarmed, you have to lock them up in the safes while they are robbing them. Speed increases as the game progresses. Don't get too close or they will clobber you.

SIDE B – Haydock Park

A horse racing game for up to 5 players. You bet on a race which you then see taking place on the screen. The first player to amass £5000 from the original £100 stake wins. If you lose all your money, you must leave the game.

SIDE B – Serpent Gold

Your task is to remove all the accumulated wealth of the serpent king from the woods where it is hidden whilst avoiding the snakes that guard it. When all the gold is collected, a door will open by which you may escape but at the same time the king's guards will stream in to attack you.
