LOADING INSTRUCTIONS

Place this cassette into your tape recorder. Make sure that a lead goes from the EAR socket on the Spectrum to the EAR socket on the recorder and that the MIC socket is disconnected. Rewind the tape to the beginning. Type the following:-

LOAD ""CODE «ENTER»

CODE is obtained by depressing — SYMBOL SHIFT & CAP SHIFT — together, then press the I key.

This is a high speed graphical adventure, written in full machine code.

Your quest for the GOLDEN HAWK has led you to a mountain. You enter a cave and immediately you find yourself in a labyrinth of rooms. You are trapped.

The only way you are likely to escape and find the mythical GOLDEN HAWK is by pleasing the guardian of the treasure, by finding and delivering to it the 22 different objects scattered in the different rooms.

To enter any one of the rooms all you have to do is type in the number on the door.

To collect an object type 'Y' or 'YES'.

To reject an object type 'N' or 'NO'.

However you may only carry 3 objects at any one time.

For Inventory type 'I' or 'INVENT'.

To quit type 'Q' or 'QUIT'.

Remember some of the characters you encounter on your quest may be either good and therefore helpful, or very evil and in some instances fatal.
