

£30,000

DRAGON

HARERAISER COMPETITION RULES

1. Purchaser of this product having returned registration cards from both Prelude and Finale puzzles will be eligible for entry into a competition to discover the Hare's location. The winner will receive the fabulous Golden Jewelled Hare as their prize or if they prefer, £30,000 in cash.
2. Please complete the detachable registration card and return to Haresoft Ltd in a sealed envelope. This card is proof of purchase and security against piracy, it will be registered in your name only and will be required to be quoted when claiming. This procedure is required for both tapes, Part 1 (Prelude) and Part 2 (Finale).
3. All claims will be checked promptly after the release of Hareraiser (Finale). The first person with the correct solution and an explanation plus the two tapes and a letter quoting their personal numbers will be declared the winner.
4. No direct or indirect employees of Haresoft Ltd, their families, friends or any person connected with the production of this programme is eligible for entry into this competition. The decision of the appointed scrutineers is final and no correspondence can be entered into concerning their decision.
5. It is a condition of your entering this competition that copyright, literary, film, cassette video and any other rights in the solution and programming thereof remain vested in Haresoft Ltd and no other party shall have the right to reproduce or refer to the solution or programme in any of the above types of media.

HARERAISER (Finale)

Part 2 of a 2-part competition puzzle of animated graphics and text which contains the necessary information for you to complete the second half of your search for the Golden Jewelled Hare. You will need Part 1 to complete your search.

Up free as the wind is the Golden Jewelled Hare the Sun the Moon and the Stars know where. How from this mystery can that place be found? From the wind in the trees, from the sky and the ground? . . . No hounds will you need, nor even a steed to find this hidden prize, no spade or pick or computer trick, just pencil paper and eyes.

This is an absorbing puzzle requiring patience and an inquisitive mind that could be solved by adult and child alike.

Keep this inlay card safe, it contains your personal number for use when claiming.
