HOLIDAY TO REMEMBER

In this game you play the part of Malcolm Wright-Nutter, who has been sent a holiday invitation by his eccentric uncle. After accepting the invite, you pack your bags and jump on the nearest bus to Crockham-by-Sea, where your uncle lives.

Unfortunately, all is not as simple as it may at first seem. Upon arriving at your uncle's home you find he has disappeared and his house blown up!! Where is he now? It is up to you to find out!

This adventure game understands all the standard adventure commands i.e. North, East, South, West, Up and Down which can be abbreviated to N, S, E, W, U, D. Some useful verbs are EXAMINE, LOOK, GET, DROP, GIVE and many more. Other important commands are INVENTORY or (I) will give you a list of what you are carrying, SAVE will save the game position to tape and LOAD will restore a previously saved position from tape.
