**To Load:** Type LOAD"" and press enter (48k mode)

In both these games, you take the role of a participant in a magical environment created within your computer. Choose your actions and then type simple English sentences, usually in the form of a VERB and a NOUN to describe what you want to do. If the computer responds with "I don't understand" try rephrasing your command or using some different words. If the response is "That's not possible", some of what you typed has been understood, but either the context is wrong or you are trying to do something that the game has not been programmed to act upon.

QUIT will halt the game. SAVE and LOAD can be used to save your game position to tape and, in HRH, STORE and CALL will transfer your game position to and from computer memory instantly. Other commands include: GRAPHICS and WORDS (to turn pictures on and off in HRH) GET, DROP, WEAR, REMOVE, EXAMINE, LOOK (or R for REDESCRIBE), SEARCH, INVENTORY, SCORE, EAT, PUSH, PULL, INSERT, CLIMB, ATTACK and all compass directions.

Remember, if you get stuck you can always load up the Introduction to Adventuring. It may give some valuable clues as to where you are going wrong!

**HRH - A GAME FOR ALL THE (ROYAL) FAMILY** - At last it's Wednesday morning! Sitting hunched beneath the letter box waiting for your dole giro, you rummage through an ashtray for a last remaining dog end. After what seems like an eternity, the letter arrives!

Hallelujah! Eagerly ripping open the DHSS envelope you clutch the giro to your heaving chest, gibbering uncontrollably. When you regain your composure, you notice with a gasp of horror that someone else's name is on the giro! Thunderstruck, you rack your brain for a local pub called the Queen Elizabeth... until you notice THE address.

The giro slips to the floor, the line of zero's on it staring accusingly up at you. Your heart throbs violently, but what can you do? It looks as if you've got the Queen's giro - which means that she must surely have yours! Will she have to resort to selling the family silver or taking in lodgers at Windsor Castle? Will it be meals on wheels for the Queen Mum and what about the chainsaw that Prince William wants for his birthday? Hoping to save the threatened dignity of our most gracious monarch you see yourself being knighted as you hand the Queen her dole money..

**CUDDLES** - "Mummy's gone to the shops and I'm bored!!" What's this do? Why am I in this play-pen? Why is that NASTY NANNY glaring at me again? Things just seem to be getting curiouser and curiouser. If I could just find a new arm for my Teddy - but everyone seems to want to stop me, AND I'M GETTING MAD....."
