# And you thought it was all over?!

1966 Charlton, 1970 Pele, 1974 Cruyff, 1978 Maradona, 1982 Rossi, 1986 Platini, 1990 Matthäus, 1994... this could be your year with PLANET FOOTBALL - the only football simulation to combine playability, realism and management.

Technically Speaking: Using a unique and revolutionary 3D perspective along with detailed sprite animations, take part in stunningly realistic football action where all the features of true football are possible (headers, tackles, shots, scissor kicks, volleys etc.) in keeping with new FIFA regulations.

Strategy & Tactics: Choose from the 24 qualifying teams and 6 top ranking teams (inc. England,

Scotland, France) from a squad of 15 players with 15 varied tactics and strategies which change during the course of play.

Options: For 1 or 2 players, enjoy Friendly Matches and Training Sessions to acquaint yourself with the controls and special techniques. 3 playing modes available: Interactive

(you play the game), Managerial (watch the outcome of your decisions), Results (access results directly).
