MARCO POLO

PHILIPS

Follow in the Footsteps of the Greatest Adventure Ever.

From the holy Land to China, from the foothills of the Himalayas to the outer reaches of the

Gobi Desert, relive the adventures of Marco Polo's travels along the Silk Route. This huge adventure will call upon your strategic skills, diplomacy and bargaining power. Your aim: to become rich and famous. During your travels, increase your wealth as you cross Asia,

trading in arms, precious stones and spices.

As counsellor to Kubilai Khan, the Mongol

Emperor, or as the Pope's secret messenger, carry out delicate missions in the midst of

intrigue and conspiracy. Marco Polo is an adventure game which mixes exploration, discovery, investigation and battles as well as being a game of simulation and discovery in which you will increase your wealth. An extensive documentary concerning life in 13th Century Asia gives the

product an interesting educational angle.

So are you ready to set off?

**fascinating game
of adventure and simulation**

**334 different missions,
63 towns to discover**

**2000 digitised images
with video sequences**

**extensive historic
documentary**

a game for all the family

1-4 players

**Specially
created for
CD-ROM.**
