Battle Chess®: Beware! Your logic

will be challenged as all around you animated, medieval characters battle for winning positions in the ultimate chess game. Chess comes to life as a magnificent chess

logic system combines with humorous and dramatic 3D animation. (Suggested Retail Price: \$49.95)

Star Trek®: 25th Anniversary™:

Excuse me, Captain, but are you prepared to pilot the U.S.S. Enterprise™ through Interplay's stunning, state-of-the-art, digitized model graphics? You'll control phasers, photon torpedos, shields, communica-

tions and warp drives on a 3D space flight simulator so real, you'll think you're truly in space!

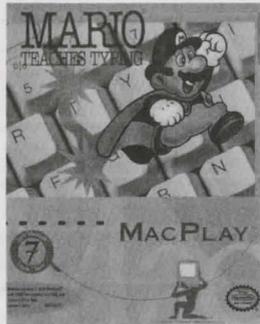

Explore incredible space action scenes. Interact with dozens of alien cultures. Navigate yourself, Spock and McCoy through exciting world explorations. This #1 seller is complete with the musical score from the series and features major soundboard support. (Suggested Retail Price: \$59.95)

Mario™ Teaches Typing: You helped

Mario save the Princess. Now Mario will "teach you to type!" with block-hitting, turtle-kicking, high-jumping, fish-fleeing, block-ducking, quicksand-hopping action. Three levels show you how to find the keys, type words, sentences and paragraphs—all without looking. Thank goodness.

Because that way you won't have to take your eyes off the graphics. Sound effects and famous Mario music included in this #1 seller. (Suggested Retail Price: \$49.95)

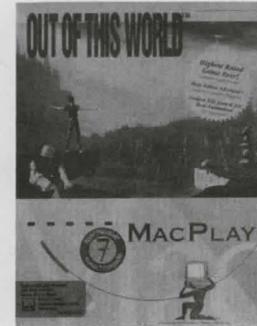

A DIVISION OF INTERPLAY PRODUCTIONS, INC.

Out of this World™: Outwit alien monsters and deadly obstacles in the game hailed by

Computer Game Review as "The Highest Rated Game Ever".

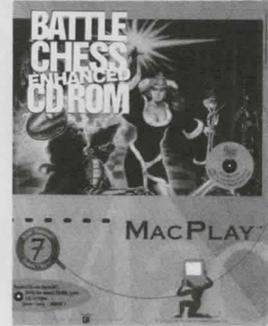

This game's polygonal graphics generate real-time, rotoscoped animation with a completely new, fluid system of cinematic zooms, pans and close-ups. (Suggested Retail Price: \$59.95)

Battle Chess® Enhanced CD-ROM:

Make a bold move into the third dimension with the incredible power of CD-ROM.

This sophisticated chess logic system combines humorous and dramatic 3D animations, sound effects, a musical score and a 25-minute animated on-disk tutorial to get you started on the chess game of your life! (Suggested retail Price: \$79.95)

Bridge Deluxe with Omar Sharif™:

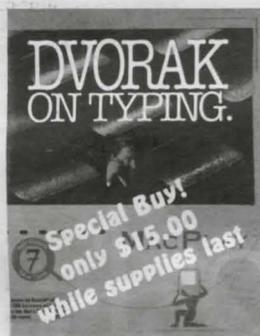

Imagine yourself in Monte Carlo, being personally tutored by world-famous bridge columnist and actor, Omar Sharif. Now you can, as he takes you through all the moves in this first-ever talking bridge

game. (Suggested Retail Price: \$59.95)

Dvorak on Typing™: You can master touch typing with the help of world

renowned computer columnist, John Dvorak. The first major typing program to feature a human voice, its lessons and games take you step-by-step through

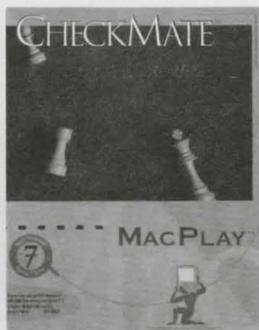

the basics while it charts your progress. (Suggested Retail Price: \$49.95)

CheckMate™: Experience the most

powerful and versatile chess program on the market. This challenging program learns as it plays by adding strong moves to its massive opening library of over 300,000

moves. 2D and 3D graphics allow you to view the action from any direction. (Suggested Retail Price: \$54.95)

Lexi-Cross™: Put your memory and puzzle-solving skills to the test in the 21st century's

favorite TV Game Show. Spin for letters, uncover words, and ask for clues as the beautiful Colleen turns over word tiles in over 600 brain-teasing puzzles. (Suggested Retail Price: \$49.95)
