MUNROE  
MANOR

ACTUAL SCREEN  
DISPLAY

**MYSTERY OF  
MUNROE MANOR**

MZ-8G048

This programme is written in the language called MACHINE CODE. To load the programme, follow the following procedure:

- (1) Switch on the computer and place this cassette in the tape deck.
- (2) Type **L** on the keyboard and then press the Carriage Return (marked **CR**).
- (3) As indicated on the screen, now press **PLAY** on the tape deck.
- (4) The programme will now run automatically after loading.
- (5) Rewind and remove the cassette ready for next time.

When you have finished with this programme, simply switch off your computer to clear or press the **RESET** button on the back of the machine.

You may now load another MACHINE CODE programme or the BASIC language cassette by repeating the above procedure.

## MYSTERY OF MUNROE MANOR

This is a full graphic adventure containing 70 different screens displaying each location or action during the game. There is a save-routine to allow pauses during play.

You stand on the misty moors outside the gates

to Munroe Manor. Old man Bastow has disappeared but reports persist of his wealth hidden somewhere in the Manor.
