HINT SHEET

This game is challenging as well as fun! However,
if you become hopelessly *STUCK* and need *HELP*, we
suggest that you purchase our *HINT SHEET* for this
program. Cost: \$ 1.00 postage paid.

We have *HINT SHEETS* for all of our *MISADVENTURE*
SERIES! Just send a check for a dollar along with
your name and address - and indicate which of our
MISADVENTURES you need!

SOUND!

Connect your speaker to the computer output to enjoy
our various sounds added for your enjoyment!

HOW TO PLAY MISADVENTURES:

Our *MISADVENTURE SERIES* is played very similar to most
other adventure-type games. You must *EXAMINE* objects
by using the command *EXAM* followed by what you wish to
examine (example: *EXAM TRASH* to examine the trash).
Other commands are logical (usually!). You must use
common sense as to what to do depending on location &
situation. If you want to enter an area that requires
you to climb a flight of stairs, try *CLIMB STAIRS* - it's
that easy! If one thing doesn't work - try another!
Use your imagination!

Abbreviations *MUST* be used to go certain *DIRECTIONS*:

N for north
S for south
E for east
W for west

etc. etc. etc.

Commands are usually just one or two words, so *OPEN*
DOOR instead of *OPEN THE DOOR*!
