# "ORB"

## COMMAND WORDS

North, South, East, West, Up, Down, Take, Pick Up, Drop, Unlock, Oil, Inventory, Exit.

Commands can be simplified to enter only the first two letters, eg. the command "Take the Orb" can be entered as "Ta Or".

Before loading the program ensure you are in the lower case mode. If you wish to save a game **on tape** enter "Exit" and "S". **Ensure you are not recording over the program.**

If you are killed key in "CONT" to resume the game.

*Instructions inside cover.*
