

COMMODORE 64/128 — ONE GAME ONLY

THE PAY OFF

The Pay Off

THE GAME

When a big fish like Luigi calls in your marker then you're in trouble! So when the marker stands at forty big ones and you've only got \$50 in the whole world then for trouble read TROUBLE!!!

Two bit hoodlums, like you are small potatoes to Luigis' heavies, so it is a very brave (or a very dumb) person who would march into Luigis and try to place a bet.

The only problem is, how to pay the debt off? Rob a bank?

What happens next? What will Luigi do? Can the debt be paid? Only YOU can decide. YOU become the hero and move around the dangerous shady streets of downtown New Jersey.

100+ word vocabulary allows you to explore with simple two word commands, GO COUNTER, PLACE BET, CLIMB PIPE, etc. But! you need to guess the rest — Good Luck!
