

The monthly publication on disk for all Apple II computers (II+, IIe & IIc)

When you subscribe to **SOFTDISK** you receive two disks of Apple programs in the mail every month, with something for everyone in each and every issue!

You'll find the programs are useful, educational, entertaining, and informative. **SOFTDISK** answers the question: "Now that I've got an Apple, what do I do with it?"

SOFTDISK is an educational experience...disguised as fun!

Hardware is a big investment. **Softdisk** is a small investment that makes your investment in Apple hardware worthwhile.

SOFTDISK is a proven success. Born in the fall of 1981, **SOFTDISK** has an ample supply of back issues still available. If you order three or more back issues, you can deduct \$1 from the cost of each issue.

If you order six or more back issues, you receive a \$2 discount on each issue...order 12 or more and you can save \$3 on the cost of each issue!

And there's more!

In addition to our regular monthly disk publication, **SOFTDISK** also publishes a line of Apple software called **RICH & FAMOUS**. Our **RICH & FAMOUS** disks are \$16.95 each. **SOFTDISK** pays our **RICH & FAMOUS** contributing guest authors a royalty for each disk sold.

SOFTDISK is also an excellent source for the very highest quality blank diskettes. Our blank diskettes are double-sided, double-density, and double-punched (for use on both sides) and are **FULLY GUARANTEED!**

We invite you to take a close look at the descriptions of our products, and feel free to order any of our products by simply sending a check to:
