SOFTDISK's way of saying THANKS!

*"One thing that really impresses me is the speed at which
MouseWrite windows and menus works."
A+ Magazine*

*"MouseWrite takes word processing another step forward."
San Jose Mercury-News*

*"MouseWrite is the best reason for an Apple II owner to
purchase one of those curious rodents ..."
InCider Magazine*

*"... Just about the easiest to use full-featured word
processor on the market!"
InCider Magazine*
