D ESTINATION: EARTH

The time is long past when men conquered space and when the great Terran Empire ruled the galaxy - the time before the giant warships of the evil Kroll darkened suns and destroyed worlds. A pangelactic war was waged that lasted a thousand years - a war that mankind lost. In the end, the powerful Kroll Imperium had moved the planet Terra from its orbit and hidden it deep in guarded Krollian space.

The rulers of humanity bowed before their conquerers, but a fighting spirit lived on in a Terran progeny that had spread far and wide. A fierce new breed of space pirates plagued the overlordship of alien invaders, striking back at Krollian trade. Led by the legendary pirate, Captain Hammer, they defied the ban of the Kroll and searched uncharted space for Terra, the lost home world. Terra, the richest prize of all...

ABOUT THE CD-ROM

Spaceship Warlock contains high resolution graphics and 3D animation in full 8-bit color. This makes file sizes larger than other interactive entertainment products. We have done our very best to optimize the overall speed of Spaceship Warlock.

However, access speeds on CD-ROM drives vary. Spaceship Warlock runs best on a CD-ROM drive with an access time of 380 milliseconds or faster. We recommend that you check with your manufacturer.
