

# STARSHIP QUEST

A 3 Part  
Text Adventure

128k SPECTRUM

FSF ADVENTURES

You are Sub-Lieutenant Mike Erlin of the spaceship "Stellar Queen". After freeing the ship from the grip of the "magnetic moon", the ship is now in space, heading for a hyperspace jump point. You are now certain that the secret of the two discs given to you by the beautiful priestess Jaelaine, is to be found on the mother planet of the moon you're speeding away from. The captain has told you that the ship cannot turn back, so you once again decide to jump ship and go it alone..... But you only have TWO MINUTES to get off the ship - can you do it in time????!!!!
