Work Card 1

What does your robot look like?

Will you ever meet the people who gave you the robot?

Why do you think they gave it to you?

Will they ever want it back?

What would happen if you took the robot to school?

As you can see your real adventure is only just about to begin.

Try to think how you will continue this story and think of a really exciting way to end it.

## Robot in School

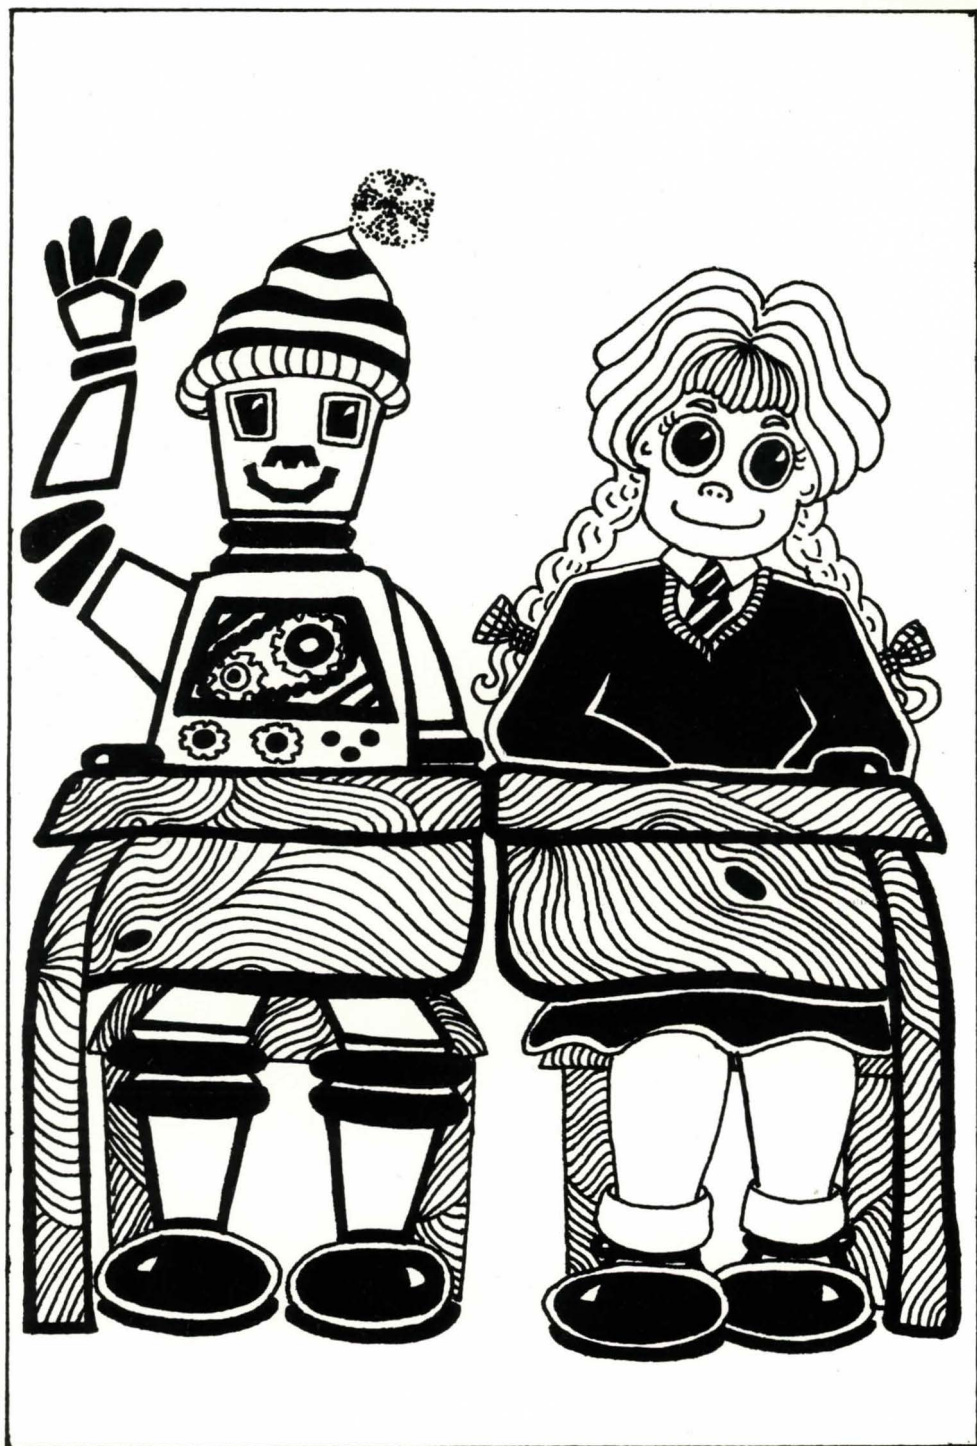

You have built the robot and taken it to school. Everyone is sitting quietly waiting for the teacher to come in.

When do you think your teacher will notice the new pupil?

What do you think your teacher will say?

What lessons are you having today?

What is your robot good at?

## The Visitors from Space!

Your robot has taken you to the woods at the edge of town where you see a flying saucer. As you watch, it slowly opens and the robot goes inside.

Are you going to follow the robot?

What will you find inside?

Does the flying saucer take off?

Will you ever get home again?
