FOR THE ACORN ELECTRON

STRANDED

STRANDED

An adventure game using hi-resolution full-colour graphics. You are stranded on a strange planet, and your mission is to return to civilisation and home. Many of the locations are shown graphically, including the spaceship, the cliffs, the mountains, and (if you succeed) your home.

LOADING INSTRUCTIONS:

If you have a Disk Filing System fitted, type the following:

★TAPE

and press the RETURN key.

Now type CHAIN"" and press the RETURN key. Press PLAY on your cassette recorder and wait for the program to load.

If you have loading problems:

Try adjusting the volume level on your cassette recorder. If it has tone controls, they should be set to output the maximum treble.

In the unlikely event of the cassette failing to load, return the cassette to us and we will immediately send a replacement.

The contents of this cassette are the copyright of Superior Software Limited.

WARNING: All rights reserved. Unauthorised copying, hiring, lending, public performance or broadcasting of this cassette is prohibited.
