48K ZX SPECTRUM

"...loads of entertaining
tricky puzzles...Plenty of
often ingenious sticky
situations...The most
impressive feature of the
game however is the text.
Atmospheric, descriptive."

ZX MONTHLY JULY 1986

That's what one reviewer
had to say about Castle
Thade. This version is
bigger and better than the
original.

Have you got what it takes
to enter Castle Thade and
destroy the Lord of Dark-
ness? Or will you join the
other adventurers in the
graveyard?
