ADVENTURE

In this two part adventure you must guide Agnar, the Viking through the nine worlds of the Vikings in an attempt to recover Thor's weapons.

The weapons have been stolen by the God Loki who plans to slay Thor and rule Asgard and its surrounding worlds. To assist you, you have been given the hunting horn "Gjall" whose mighty blast can be heard by the Gods who will help you whenever possible.

For full details of this adventure please read the background notes and instructions.
