**FOR ANY
ZX - SPECTRUM**

TIME-LINE

An exciting machine code adventure for the 16K or 48K Spectrum. Find your time machine to return to the past, present or future.

TASKS

Can you complete all the tasks set you by the Taskmaster as you collect the treasure from the maze.

Mind stimulating tasks that tax your brain while they entertain.

To LOAD and RUN a program rewind the tape to the correct side and type:-

LOAD " "

Press the PLAY key on the recorder and the ENTER key on the Spectrum. The programs will auto-run and give full instructions.
