

THE VIRGIN GAMES CUSTOMER SERVICE CONNECTION

Virgin Games has packed entertainment and excitement into every product in this catalog. In addition, each product comes with our commitment to customer support. Our customers have direct lines of communication to contact us about new orders, request hints, obtain replacements for defective products, or simply to ask a few questions:

ORDER LINE

Customers may order the hottest games directly with a VISA,™ Mastercard,™ or American Express™ by calling our Toll Free Order line at 1-800-VRGIN07 (874-4607).

HINT LINE

After obtaining Excalibur and Arthur's Shield items required to slay the Shadowmaster in Vengeance of Excalibur, it can be quite frustrating to be missing the Citadel Scroll or Vincemus spell needed to complete the game – but not for long.

For hints and solutions to game levels and puzzles, players can turn to the Virgin Games Hint Line at 1-900-28 VRGIN. The Hint Line supports computer entertainment and cartridge-based video games alike. There is a 75-cent per minute charge to obtain these valuable clues. Callers under eighteen years of age must obtain permission from a parent or guardian before calling.

TECHNICAL SUPPORT TEAM

For solutions to problems installing or running our products, customers may wish to contact the Virgin Games Technical Support Team at (714) 833-1999.

Our Technical Support Representatives are trained to answer your questions and solve hardware/software problems and incompatibilities over the telephone. Representatives are available Monday through Friday from 8 AM to 5 PM Pacific Standard Time. There is no charge for this service beyond normal telephone charges. Customers will get the most benefit from this phone support by having their computers powered up and close at hand when calling.

CUSTOMER SERVICE

To obtain replacement of defective products, disk size exchanges, back-up copies, maps, manuals or hint books, contact Virgin Games' Customer Service department at (714) 833-1999.

BULLETIN BOARD SYSTEM

For those who own computers equipped with a modem and telecommunications software, technical support and customer service can be brought into your home at 300/1200/2400 baud from the Virgin Games On-Line BBS (714) 833-3305. Callers should set their telecommunications package to reflect 8 data bits, 1 stop bit and no parity.

Customers may also mail correspondence to the appropriate department:

You push a button. You open a door. Leave the world of paperwork and laundry, of squalling kids and car trouble. Enter new worlds. Of adventure. Horror. Magic. Love. Death. Solve a mystery. Save a kingdom, win a title. Live by your wits, tap the reserves. Discover what you're made of, find out who you are.

Virgin Games takes you farther from home and deeper inside yourself than ever before. Whether in PC, Super NES®, NES®, Sega CD™, Genesis™, Game Gear™ or Game Boy®, the games of 1993 are more real, more fantastic, wilder and faster. This is play at the speed of thought. And with CD-ROM, Virgin leads the way out of the arcade into the cinema of the future, with 3-D virtual environments, live-action sequences, full motion animation, synchronized speech and dramatic soundtracks. Once you've seen where we live, you may never go home again.

THE GAMES OF 1993 ARE MORE *real*. MORE FANTASTIC. wilder AND *faster*. THIS IS *PLAY* AT THE SPEED OF THOUGHT

THE 7TH GUEST™ PC CD-ROM

Old Man Stauf built a house
and filled it with his toys
Six guests came one dark night
Their screams the only noise

No one knows what happened next
There's no one left to say
But if you should see Old Man Stauf
Get on your knees and pray
Anonymous

Henry Stauf's mansion has been abandoned for as long as anyone dare remember. Stauf was a master toymaker, a maker of amazing puzzles—and this strange house was his greatest creation.

Now, the mansion stands empty, rotting ever since the children started dying, ever since the six guests came. Now there are only the eerie lights and the terrible sing-song rhymes of the children...

And suddenly, you are in the house. You move from room to haunted room, step-by-terrifying-step, as scenes from that night of horror come to life. Because Stauf's game isn't over. And only you can end the nightmare and learn the secret of The 7th Guest.

FEATURES:

- The first Interactive Drama™ in a terrifyingly real virtual environment complete with live actors.
- Old Man Stauf's bizarre puzzles to solve and games to play.
- 22 rooms to explore in a fully-realized 3-D haunted mansion with ghastly surprises lurking in every shadow.

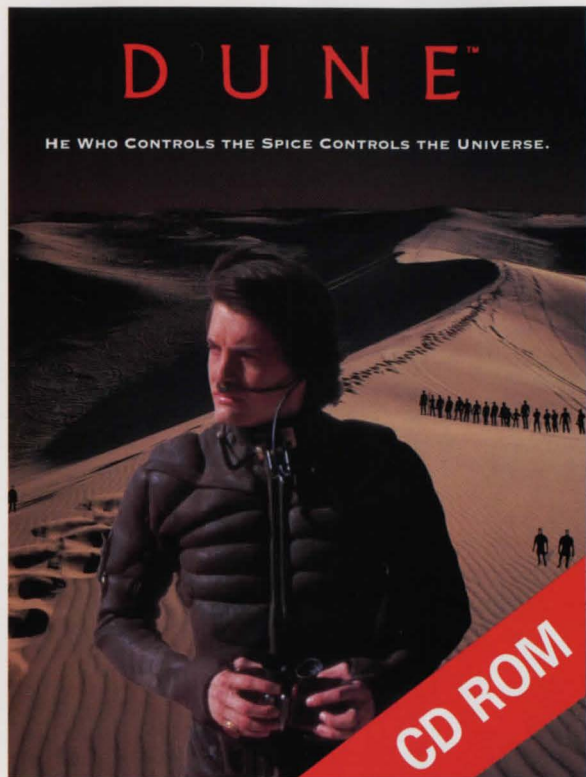

"This is the new standard in multimedia entertainment. This is the future."

KYRANDIA™ PC CD-ROM

From Westwood Studios, the development team that created *Eye of the Beholder™ I and II*, comes the first chapter in the *Fables & Fiends Series: The Legend of Kyrandia*.

Some say that the court jester Malcolm was mad to begin with. Others that it was his burning desire to possess the precious Kyragem that slowly unhinged his mind and led him to slay the peaceful King William, the sole protector of the powerful gemstone that is the source of all magic in the land of Kyrandia.

As Brandon, the rightful prince of Kyrandia, you must pursue the elusive Malcolm to recover the Kyragem. Only then will you be able to reclaim the throne and restore harmony to the land. The Legend of Kyrandia awaits you.

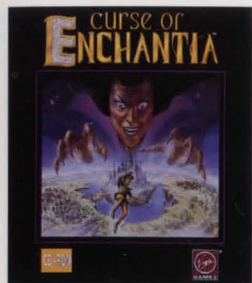

Eye of the Beholder I and II are trademarks of TSR, Inc. The Eye of the Beholder games, TSR, Inc. and SSI are not connected or related in any way to the Kyrandia game, Virgin Games, Inc. or Westwood Studios, Inc.

FEATURES:

- Over 100 brilliantly rendered scenes with fluid animation.
- Elegant point-and-click interface makes Kyrandia simple to master and a joy to play.
- Intriguing characters to interact with.
- Captivating soundtrack featuring live actors' voices in synchronized speech.

BENEATH A STEEL SKY™

Jack into the world's first computer-based animated comic book adventure.

In the not too distant future, you have two choices: live in the giant city states controlled by six vast corporations or reside in a wasteland known as THE GAP.

As GAP DWELLER Robert Foster, your peaceful existence is decimated by the arrival of security forces intent on taking you to the city. The camp - your home and your people - are destroyed.

Why have you been brought to this sprawling metropolis controlled by a powerful council and an omniscient computer? Exploration yields unpleasant answers.

The route to solving this sci-fi mystery and freeing this city of oppression is littered with logical problems to solve, security clearances to forge and military forces to evade.

FEATURES:

- Written by award-winning top comic book author Dave Gibbons.
- Virtual Theatre environment lets you affect the world and the people around you like no other adventure game. Change the course of others' lives and eavesdrop on their conversations (which might even be about you!).
- Over 100 different locations.
- Minimized menu-driven interface is simplicity in itself to use.
- Realistic character interaction and an incredibly high level of artificial intelligence.

G FORCE™

Somewhere in mid South America, a military coup has taken place. A special UN task force has just been dispatched to regain control of this area from the rebels. The force includes the new MiG-29M Soviet super fighter and you, a recent veteran of Soviet internal actions, are at the controls.

Armed with a special helmet-mounted dis-

play, you'll pull out the big guns with 23mm cannons, S-240 unguided rockets, heat-seeking air-to-air and air-to-surface missiles.

Constantly shifting events dictate the way you tackle various operations in a large-scale war campaign. You'll need all of your wits and skill to overcome the enemy on the ground... and in the air!

FEATURES:

- Fly solo or link computers to dogfight with a friend by modem or with a serial cable.
- Transparent cockpit designed with an authentic CRT instrument display.
- Quadruplex digital fly-by-wire control system offers superior aerodynamics and enhanced maneuverability.
