

The most realistic football simulation ever . . . *PREMIUM EDITION.*

Based on accurate individual skill level ratings for every player on all 28 teams in the NFL, the simulation includes offensive and defensive playbooks (including Run & Shoot), weather conditions, full league support, graphic animation, slow-motion instant replays, game clocks, penalties, multiple game injuries, and all the other elements of an actual professional football game.

Play against a sophisticated computer coach, another human coach, or watch the computer go head-to-head against itself.

Coming Soon...

MACSKI

No Snow? No equipment? No time? NO PROBLEM!

Grab your skis and get ready to race! Select a course from a number of challenging runs or design your own dream course using the built-in Course Editor.

Change the weather and snow conditions - set the level of difficulty to the point where you feel challenged.

Watch out for obstacles! MacSki includes Snowmen & Penguins, Igloos & Snow Bunnies, and much more! Digitized sound and color graphics put you in the middle of the action.

Whether you're new to skiing or a mogul bashing animal, MacSki is your lift ticket to FUN!

ROBOMAN

**The Ultimate
Arcade Challenge.**

Get the key and unlock the next passage for adventure .

Roboman is a high-speed action arcade game! 50 challenging levels contain platforms, springboards, elevators and balloons. Only those with a steady hand and a skilled eye dare attempt the superjumps. Beware! ... misjudge a jump or walk off a platform and RoboMan will lose one of his "lives." Arcade animation, sound and a high score list make RoboMan the most addicting arcade game available.
