Welcome to the world of Mastertronic, Europe's leading value software publisher. RPG, FPS or RTS, we've got the games you want at a price you'll love. Each of our three brands offers a guarantee of the highest quality at the lowest prices.

PC Gamer Presents

£9.99

"It's a must when it's 80% plus"

PC Gamer Presents is a unique collaboration with the UK's best-selling PC games magazine. Only games that scored 80% or higher in their original review are released. With the impartial approval of expert reviewers, you know "It's a must when it's 80% plus".

Sold Out Software

£4.99

"Classic games, pocket money prices"

Sold Out is the best-known name in the business. For almost a decade Sold Out has been delivering classic games at pocket money prices. With over 150 titles in the range, all priced at only £4.99, there isn't a better choice for quality, range and value.

M.A.D.

£9.99

"100,000 Gamers can't be wrong"

M.A.D. (Mastertronic Added Dimension) is a label exclusively for titles that have sold over 100,000 units. As the MADman on the front of the box says: "100,000 Gamers can't be wrong".

All games feature .Now technology, giving you a hassle-free installation and instant access to free hints and tips. Expert Technical Support is available by email or local rate phonecall.
