INSTALLATION INSTRUCTIONS

Might and Magic® IX

INSTALLATION INSTRUCTIONS

1. Insert the Might and Magic IX INSTALL DISC into the CD-ROM drive. The autorun program will automatically appear. Click on the **Install button** to enter the Setup screen. If the autorun screen does not appear, click **Run** from the Start Menu and type D:\SETUP.EXE (where D: represents your CD-ROM drive).
2. While installing the Might and Magic IX game, you will be prompted whether or not to install DirectX® 8.1 on your computer. Setup will automatically detect your version of DirectX and make a recommendation for you. Please follow the on-screen recommendation and click either **Yes** or **No** to continue.
3. Click **Next** to continue with the Setup program. You can click **Cancel** to quit the program at any time.
4. Click **Yes** to agree to the Software License Agreement or **Back** to return to the previous screen. You must accept this agreement to install the Might and Magic IX game.
5. Complete the installation process by following the on-screen prompts.

To play, place the Might and Magic IX PLAY DISC into the CD-ROM drive. Select the **Play** button from the Autoplay Menu. If the Autoplay Menu doesn't appear, make sure you have the PLAY DISC in your CD-ROM drive, go to the Start Menu, select: **Programs / 3DO / Might and Magic IX / Might and Magic IX**.
