RICHARD GARRIOTT

His first game was published in 1979, making Richard Garriott, author of the best-selling Ultima Series, a true veteran of the computer gaming industry. Throughout his career, Richard has received extensive praise and numerous awards, including Computer Gaming World's 15 Most Influential Industry Players (No. 4) and Next Generation's America's Elite.

"Lord British" is the pseudonym under which Richard creates the Ultima series, and also appears as a principal character in the series. The Ultima saga transpires in the realm of Britannia and Lord British is the benevolent ruler of this oft-beleaguered land.

Ultima IX: Ascension will be the last game in this epic computer game series.
